THE OCCASIONAL CARE PROGRAM

The program is integrated with the Kindergarten sessions.

The children engage in all available activities within the centre.

The Occasional Care Co-ordinator provides the children with support and assistance, encouraging positive interactions with other children and adults.

Fruit is eaten on a mat, inside or outside, with the children coming together to enjoy shared stories, language or music activities.

Bookings are essential. Please ring or call into the Kindergarten. An enrolment form is to be completed for each child at the commencement of the program.

If your child is unable to attend their session please notify the centre.
